

Authorize Release of Information Form

I have applied for the Pima County Community Land Trust (PCCLT) Homeownership Program. This program provides affordable homes to applicants who are between 50-80% of area median income for Pima County using the Community Land Trust model.

By my signature, I authorize the release/sharing of information I have provided to PCCLT, the authorized lending partner or the housing counseling agency. This information may be exchanged only between PCCLT, the lending institution and the Housing Counseling Agency for the purpose of determining eligibility for the Homeownership Program. I understand that no information will be released to any party who is not directly involved with this program.
